COREY ON PIANO – MAY 12TH @ 2:30

AND THE PEOPLE STAYED HOME

By: Kitty O'Meare

And the people stayed
And read books and listened and rested and exercised
And made art and played games
And learned new ways of being and were still
And listened more deeply
Some meditated, some prayed, some danced
Some met their shadows
And the people began to think differently
And the people healed
And in the absence of people living in ignorant,
dangerous, mindless and heartless ways the earth
began to heal
And when the danger passed, and the people joined
together again, they grieved their losses, and made
new choices
And dreamed new images
And created new ways to live and heal the earth fully
as they had been healed.
